### Capital News Shorts

Washington, D. C.—The State Department announced that thirteen foreign governments had been duly notified that on December 15th payment on war-debts and interest totaling \$1,315,052,424 would fall due. Foreign advances were to the effect that both France and Italy were considering negotiations for resumption of annual payments on a modified basis. The Treasury department revealed that investment of foreign capital in this country amounted to \$2,281,659,000 during a 21-month period ending on September 30th. Public Works Administrator Ickes announced the location of grants and loans amounting to \$13,555,944 covering 37 projects in 37 states.

Black Legionnaires Convicted  
Detroit, Mich.—Convicted of murdering Silas Coleman, a negro, "Just like hell of it," five members of the United Brotherhood of America known as the "Black Legion"—were life imprisoned under the mandatory State law. Nine other legionnaires have already begun life sentences for the murder of Charles Cole, a PWA worker, last May.

Man Buys Newspaper  
White Plains, N. Y.—For the first time in its history, the International Geographical Union has purchased a newspaper, the local Daily Press, which ceased publication nearly 20 years ago. The cost of the update plant is said to have been less than \$100,000, and the staff will be completely untrained, even to the editorial workers.

Had Heat For Congress  
Concord, N. H.—For the first time in 110 years, two candidates in the first Congressional District ran a head heat in the last election, each receiving 51,679 votes, as determined by a recount conducted by clerks watched by a small army of lawyers. In 1826 a tie in Pennsylvania was decided by a special election; four years before that a head heat in Maryland was decided by drawing lots. Just what New Hampshire will do is being debated by State officials.

**Shower Given For Mrs. Freeman**

On Tuesday evening at the Sherman House a miscellaneous shower was given Mrs. Marjorie Berry Freeman in honor of her recent marriage to Charles Freeman. The event was planned and carried out by members of the Mothers' Club and Ladies Aid. The decorations featured a rainbow which was made of crepe paper and extended from corner to corner of the living room while at one end of the rainbow a basket with covers of gold color held the many gifts for the honor guest.

After the guest was seated and somewhat over her surprise, a poem written and read by Mrs. Florence Hamilton was much enjoyed. Mrs. Freeman was then asked to untangle several strings which she had been given. After they were well looked over refreshments were served by Mrs. S. S. Greenleaf and Mrs. Ralph Berry.

Those present were Mrs. Annie Craig, Mrs. Robert York, Miss Florence Bean, Mrs. Gilbert Brown, Mrs. Ralph Berry, Miss Eugenia Hamilton, Miss Vivian Berry, Miss Elizabeth Gorman, Mrs. Charles Gorman, Miss Mavis Eldredge, Mrs. Parker Connor, Mrs. P. ### Dr. Proctor Speaks Before P. T. A.

At the next meeting of the Parent Teachers Association to be held on Monday evening, Dec. 14, the people of Bethel and vicinity will have the opportunity to acquaint themselves with the proposed Educational Bill to come before the Legislature this winter, when Pres. Milton D. Proctor of Westbrook Junior College will address them. This bill should be of vital interest to every citizen of Maine and Dr. Proctor explains the financial condition of Maine schools in a clear and interesting manner.

Our senators and representatives appreciate the interest of every constituent in those questions upon which they must act when the legislature convenes.

An interesting program of music will precede Dr. Proctor's address.

The membership drive for the Parent Teacher Association has resulted in a large enrollment of new members. The Association desires that each member show his interest in the schools by attendance at the meetings.

**Wilbur F. Bean**

Wilbur Freeman Bean died on Thanksgiving Day morning about 8:30 o'clock after a long period of ill health. He was born at Locke Mills, March 25, 1872, the son of Timothy M. and Lydia P. Bean.

He was three times married. His first wife was Miss Mamie Jordan of Locke's Mills. After her death he married Mrs. Addie Lapham and they went to Norway to live. After her death he came to Bethel and married Miss Gladys Grover of this town. Mr. Bean was a spoonmaker by trade and for several years he worked for the Stowell Manufacturing Co.

He is survived by his widow, Mrs. Gladys Bean, seven children, Mrs. Elaine Pierce and Herman Bean West Paris; Wilma Willard, John and Norman Bean and a step-daughter, Elizabeth Bean, all of Bethel, a brother John Bean Rumford, several grandchildren and a nephew, Jasper Bean, Kinross.

Funeral services were held at Greenleaf's funeral home Saturday afternoon. Rev. P. J. Clifford officiating. Interment was at the Locke Mills cemetery.

**Bridgton Quintet Here Wednesday**

On Wednesday, Dec. 2nd, the 1936-37 basketball season will be ushered in with Bridgton High School invading Wm. Bingham Gymnasium.

This will be the opening home game, although the Academy team is playing its first game of the season at Colebrook, N. H. High School this Friday.

The visitors from Bridgton have always brought a strong aggregation and this year would expect plenty of opposition against the Blue and Gold as yet are untried and with a number of inexperienced men on the squad anything can happen.

The starting lineup for this game will depend a great deal on what the individual players do in their initial start at Colebrook. However, the team has been practicing diligently and a hard fighting and fast team is expected. The game will start at 8 o'clock with teams

and no referee.

**Local Talent in Comedy**

If you want to have the best evening's entertainment that you have had for some time, don't miss seeing the three act comedy which will be presented at Odeon Hall, Dec. 10th at eight o'clock. "The Red-Headed Step-Child" is the title and it is supported by the following cast:

Mrs. Russell an aristocratic society lady  
Celia Gorman  
Mrs. Russell  
Patsy Vail  
Lola Russell  
Marjorie Freeman  
Dudley Russell  
Charles Freeman  
The Red-Headed Step-Child

AS REBEL GUNS BATTER MADRID'S DEFENSES, THE FASCIST

While long-range guns of Italian make spread ruin in Madrid, in the heaviest bombardment ever suffered by a modern capital, a thousand taxicabs raced the city's non-combatants to points of safety. Many of the world's greatest masterpieces of art were removed from museums and palaces for protection.

FLAG MOVES STEADILY ON SPANISH CAPITAL

Preceded by the Fascist emblem, determined "White" leaders pressed forward to avenge the execution of Don Jose Antonio Primo de Rivera, 33-year-old son of the late Dictator and hero of the young Spanish aristocracy, who finally fell before a firing squad after a dozen miraculous escapes.

## The Week in Business

New York City. Declaring a record dividend of \$7.00 per share on its preferred stock, the United States Steel Corporation reduced to \$2.25 per share the accumulated arrears on its senior issue. Reflecting greatly improved conditions in the industry, the Republic Steel Corporation announced a \$12,000,000 addition to its Cleveland plant. The Bethlehem Steel Corporation will spend \$1,000,000 on its plant at Sparrows Point, Md., and the Inland Steel Corporation will erect the first of a series of blast furnaces in its new plant at East Chicago, Ind. The American Lumber Company reported a net operating profit of \$1,000,000 for the third quarter of 1936, compared with a net loss of \$1,000,000 for the same quarter of 1935. The company's earnings for the first nine months of 1936 were \$3,000,000, compared with a net loss of \$1,000,000 for the same period of 1935.

## Dry Night Club Launched

Bethel, Me. In a move that city residents are sure to welcome, the new Bethel Dry Night Club was organized last week. The club is a non-profit organization and its purpose is to provide a place where men and women can meet and enjoy themselves without the use of alcohol. The club will hold its first meeting on Thursday, December 10, at 8 o'clock. The meeting will be held at the home of Mrs. J. H. Smith, 123 Main St. The club is open to all who are interested in the cause of prohibition.

## Crime Record Decreases

The Bethel Police Department reported a decrease in the number of crimes committed in the city during the first nine months of 1936. The total number of crimes was 123, compared with 156 for the same period of 1935. The decrease was due to a number of factors, including a more active police force and a more vigilant citizenry. The police department is proud of its record and hopes to continue to reduce the crime rate in the future.

## New Motion Picture to Promote Highway Safety

Capitalizing upon the interest boys and men have in major league baseball, the Maine Highway Safety campaign is utilizing a combined safety and baseball moving picture show throughout the state with the most promising results. Through the cooperation of Acton Casualty & Surety Company, Don Brennan, Maine's only major league pitcher, has been employed and assigned to the campaign. Mr. Brennan was the official pitcher for the Maine Highway Safety campaign and will be appearing in a number of moving picture shows throughout the state.

## Cold Winter Forecast

New York City Reports from many sources indicate an unusually cold winter. The Hudson Bay Company reports that the winter season is likely to be one of the coldest in many years. The company's forecast is based on a number of factors, including the position of the sun and the strength of the winds. The company expects the winter to be a difficult one for many people, particularly those who are not prepared for the cold.

## President Opens Conference

President Roosevelt opened a conference with the members of the National Association of Manufacturers in the White House. The conference was held to discuss the economic situation in the United States and the role of the government in the economy. The president listened to the views of the manufacturers and expressed his own views on the situation. The conference was a success and the president is confident that the government will be able to deal with the economic challenges ahead.

## Oxford County United Parish

We trust that we may still be giving thanks for our many blessings, but Thanksgiving Day is past and we are gathering our strength and resources for Christmas. So the list of "doings" right now is short. Just wait, though, until the Christmas events blossom out. Then we will all have some great times together. Here at least is one advance notice. Men and boys keep December 29th for the Father and Son Banquet.

Remember that the Center Lovell Church is coming on Friday of this week. Have a good time, but do not get so tired you cannot be at church Sunday. We hope the churches may be well filled with those who would worship the Christ during these Advent and Christmas Sundays. The Young People will continue on Sunday evening their discussions. Then Tuesday evening we will be looking for many of you at the North Waterford Circle. A good feed and a good time! We hear the large made over \$12.00 for their West last week.

## CHRISTIAN SCIENCE SOCIETY

Sunday School at 10 o'clock.

Servants Sunday morning at 10:45. "God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all churches of Christ, Scientist, on Sunday, Dec. 6.

The Golden Text is, "I am the Lord that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself" (Isaiah 44:24).

The citations from the Bible include the following passages: "By the word of the Lord were the heavens made, and all the host of them by the breath of his mouth. Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of him. For he spake, and it was done; he commanded, and it stood fast" (Ps. 33: 6, 8, 9).

The Lesson-Sermon also includes the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is. Spirit, Life, Truth, Love, combine as one, and are the Scriptural names for God. All substance, intelligence, wisdom, being, immortality, cause and effect belong to God" (Page 275: 10-15).

## Christian Science Society

## Thanksgiving Service

A special Thanksgiving Day service was observed by many of the people of the Bethel Christian Science Society at 7:30 p. m. at the regular place of worship on Chapman Street.

It was a most interesting and inspiring meeting. The First Reader, after opening the service with an appropriate hymn from the Christian Science Hymnal, read the Thanksgiving Proclamation and then read a scriptural selection taken from the King James Version of the Bible as found in Psalm 95:1-7; 96:2-4, 8-9, 11, 12; 105:1-7, 8, 41-45.

Upon invitation the audience joined in silent prayer after which they repeated the Lord's Prayer. The spiritual interpretation of the Lord's Prayer as given in the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, was read by the First Reader in the usual way.

After another hymn, the subject of the meeting was announced, "Thanksgiving" with this Golden Text: "I will praise the name of God with a song, and will magnify him with thanksgiving" (Psalm 69:30).

One of the Scriptural passages contained in the Lesson-Sermon was from the hundredth Psalm: "Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Enter into his courts with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name."

As is usual in all Christian Science services, passages correlated to the Bible readings were read from the Christian Science Textbook among which was the following: "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be able to receive more. Gratitude is more than a verbal expression of thanks. Action expresses gratitude than speech." (Science and Health page 3:22-26).

Many in the audience gave testimonials expressing their heartfelt gratitude for healings, restoration and spiritual growth, resulting from the application of Christian Science to their individual problems.

Following the closing hymn, the First Reader read the Statement of Being from the Christian Science Textbook (page 8) and the correlative Scripture of the Bible (1 John 3:1-3) and benediction from the book of 11 Corinthians 4:15 thus concluding the service.
